POLICY STATEMENT:

The Community Services Department requires a fair and consistent policy to manage individual and team registered program withdrawals.

PURPOSE:

The Program Refund and Withdrawal Policy provides consistent direction for issuing recreation and leisure registration refunds, credits, and/or transfers.

DEFINITIONS:

Administrative Fee – a fee deducted from a refunded payment, or added to a customer payment, for administrative purposes, applied as a percentage of the after-tax value of the initial payment, after prorating (e.g. 10%).

Camp – any program, targeted at youth and children, taking place on consecutive days over one or more weeks.

Credit on Account – the value of the amount owing to a customer, after they have withdrawn from a program, which can be applied towards future transactions on the same Community Services customer account.

Mandatory Policy, Municipal Act : No

Corporate Management Team, Review Date Jan. 9, 2019
Customer Account – an ongoing record of financial transactions made by a specific customer and/or family, as well as basic personal information (e.g. name, date of birth) and contact details (e.g. mailing address, phone number, email address).

Drop-in Program – a recreation and leisure program to which customers pay a fee to gain one time access.
Free Agents – individual players in league programs who are not affiliated with a team upon registration, but that are assigned to teams.

Health Professional – includes but is not limited to: physicians and surgeons, chiropractors, dentist, massage therapists, occupational therapists, optometrists, physiotherapists, psychologists, registered nurses and speech therapists.

League Program – a registered program in which amateur sports teams compete in games over the course of a program session.

Program Registration – the process of reserving and paying for a space in a recreation and leisure program or league offered by the City of Waterloo.

Program Session – the timeframe in which specific sets of programs are offered, often: fall, winter, spring, or summer.

Program Transfer – a withdrawal from a program and simultaneous registration in an alternate program within the same program session.

Prorating – the reduction of the value of a refund or a credit on an account equal to the proportion of the program length that has elapsed.

Refund – the repayment of purchases to a customer.

Registered Programs – instructor-led recreation or leisure activities that require advance registration, have limited enrolment, and a defined start and end date. This category does not include camp, single day, or league programs.

Single Day Program – a registered program which has only one class.

Withdrawal – the removal of a customer from participation in an activity, with refunding of payment where applicable, either when initiated by the customer or according to City policies.

**SCOPE:**

The Program Refund and Withdrawal Policy applies to all Community Services recreational registered programs, league programs, camps, and single day programs. Drop-in programs and multiple admission passes are not covered by this policy.

POLICY:
1.0 General Withdrawal Conditions

1.1 Program Withdrawals

1. Withdrawals may be made in person, by telephone, by email, or by other avenues provided by the City for this purpose.

2. Customers may withdraw from programs at any point before or during the program for any purpose. Customers may be required to provide their reason for withdrawal in order to be eligible for refunds or credits on account.

1.2 Administrative Fees

1. All refunds or credits on account, except where specifically noted in this policy, are subject to a 10% administrative fee.

2. All fees refunded in the first 24 hours after registration will not be subject to an administrative fee.

3. In the case of prorated refunds and credits on account, administrative fees will be deducted from the prorated value, not the full value, of the original payment.

2.0 Refunds

2.1 Refund Policy

1. Upon the withdrawal of a customer from a program, the City will issue a refund or credit on their account, if the customer is eligible. In any case where a customer is eligible for a refund, they may choose to instead receive a credit on their account.

2. Refunds will only be issued to the customer who made the original payment.

3. Refunds will be provided using the same form as the original payment, where possible.
4. Refund amounts equal to or less than $25, after application of any administrative fee, will not be refunded by cheque, but in such cases will be applied as credits on the customer’s account.

5. All refunds and credits on account requested after the first program date will be prorated, based on the time of withdrawal.

2.2 Credits on a Customer Account

1. In lieu of a refund, the customer may opt to receive a credit on their account of equal value.

2. Credits on an account can be applied towards any future City of Waterloo facility rental, program registration, admission to a drop-in program, purchase of a multiple admission pass, or league registration.

3. Credits are applied to the account of the customer who made the original payment and are not transferable to other customer accounts.

2.3 Withdrawal Dates

1. Program withdrawals are eligible for refunds or credits on account if requested:

2.4 Exceptions

1. The City may permit refunds which would otherwise be ineligible in order to accommodate medical reasons or other extreme circumstances. The customer may be required to present a letter from a health professional confirming only that they are no longer able to participate. All refunds for
medical reasons or other extreme circumstances must be approved by the program supervisor.

2. Any customer who is removed from a registered program by the City in accordance with City policies and procedures governing customer behavior and safety will receive a prorated refund.

3. The City will issue the appropriate refund or credit on an account to customers in any registered weekly program, camp, or single day program, for program dates which are cancelled by the City for any reason. Refunds or credits on account provided for cancellations will not be subject to an administrative fee.

3.0 Program Transfers

1. Program transfers must occur within the same program session.

2. Program transfers will be accepted, depending on availability of space in the new program, if they are requested before the withdrawal deadline.

3. If a customer transfers to a program with a higher fee, they will be required to pay the difference in price.

4. If a customer transfers to a program with a lower fee, they are eligible for a refund equal to the difference in price.

5. Administrative fees are not applied to program transfers.

4.0 League Programs

4.1 League Withdrawal

1. League programs accommodate two forms of registration – team registrations and free agent registrations. Refund eligibility varies based on the method of registration.

2. If a team or free agent cannot be accommodated within the league season, they will receive a refund. This refund will not be subject to an administrative fee.

3. No refunds or credits will be provided to teams or individuals removed or suspended for misconduct in accordance with their league rules.

4. The City may reschedule and/or relocate league games that have been cancelled due to unsuitable playing conditions. Refunds will not be offered for rescheduled and/or relocated league games.
If the City is not able to reschedule or relocate the game, customers will receive an appropriate refund, which will not be subject to an administrative fee.

Cancellation of league games taking place on outdoor fields is governed by the Field Delay and Cancellation Policy.

5. Refunds and credits issued for league programs operate under the rules in section 2.0, except as stated below for team withdrawals.

4.2 Team Withdrawals

1. All team refund requests require the approval of the program supervisor and will be subject to an administrative fee of 5%.

2. Team withdrawals are not eligible for credits on a customer account.

3. The City will not issue refunds directly to individual team members, only to the customer who made the original payment.

5.0 League Late Entry Requests

1. Late entries are permitted based on availability.

2. Late entry fees for individuals and teams will be prorated and will include a late entry administrative fee. The administrative fee for team registrations is 5% and the fee for free agent registrations is 10%.

6.0 Unused Credits on a Customer Account

1. Credits remaining on a customer account will not be removed from an account as long as the account is active.

2. Accounts which have not registered a transaction in two years will be deemed inactive.

3. If an account is deemed inactive and the cumulative value of the credits is less than $50, they will be transferred directly to the Corporate Miscellaneous Revenue account. If the value is $50 or more, a refund will be issued to the customer registered to the account, subject to a 10% administrative fee.

4. At any point, provided the cumulative value of the credits on an active account is $25 or more, the customer registered to the account may request a refund, subject to a 10% administrative fee.
COMPLIANCE:

In cases of policy violation, the City may investigate and determine appropriate corrective action.

APPEALS:

In the event of a customer appealing an action taken under this policy, the decision of the Customer Service supervisor or their designate will be considered final.
