<p>About the Program</p>	<p>We are committed to encouraging and enhancing youth leadership skills as they relate to the role of a camp leader. Individuals also benefit from transferable skills taught in this program including organization skills, teamwork and communication. Beginners and returning participants take part in training. This allows past participants to share their experiences and take a leadership role within the group. Training is mandatory and 100% attendance is required.</p> <p>YLDP's will be partnered with a Camp Leader who will mentor them throughout the week and help them both set and achieve their individual goals as they relate to the camp environment. This might include connecting and building relationships with campers, leading a craft or game, or designing an activity of their own.</p> <p>There are now three levels of the Youth Leadership Development Program (YLDP). YLDP 3s participate in leader training, receive additional qualifications and are trained in advanced areas of camp. YLDP 3 participants must be at least 15 years of age by June 1st and have completed at least one year of YLDP prior to registering for YLDP 3.</p>
<p>Behaviour Expectations</p>	<p>This is a leadership program and it is expected that the participant has a keen interest in developing the skills required to work with children in a camp setting.</p> <p>It is preferred that the YLDP Coordinator be able to communicate directly with the participant as much as possible as part of this leadership opportunity.</p> <p>Due to the nature of the camp placement and the safety of the children involved, a participant may be asked to leave the program if his/her behaviour does not meet the required expectations of the program.</p>

<p>Program Ready & Inclusion Support Workers</p>	<p>To support the success and safety of all individuals registered and participating in City of Waterloo summer camps, it is important that all participants are program ready. Volunteers who demonstrate they are not program ready may be removed from the program.</p> <p>Inclusion support workers can be engaged through City of Kitchener Inclusion Services to provide one-on-one support to campers with a disability. If your child requires accommodation to participate in camp, and you would like to engage the support</p>

YLDP 3 Employment Opportunity	<p>Near the end of their camp placements, YLDP 3s will have an opportunity to interview for a role as an August-only summer camp leader. Employment as an August-only leader is not guaranteed and is subject to placement performance, interview status and meeting minimum registration numbers for camp programs.</p> <p>YLDP 3 participants will require a clear vulnerable sector reference check at the participant's cost prior to beginning any camp employment, as well as the HIGH FIVE Principles of Healthy Childhood Development certification and valid First Aid and CPR. The employment opportunity starts in August and is applied to by interested candidates.</p> <p>YLDP 1, 2, and 3 participants do not require a police records check for their placement, only for employment.</p>
