Title: Cemetery Services 2021 Fees & Charges
Report Number: COM2020-024
Author: Rory Doucette, Manager, Cemetery Services
Meeting Type: Council Meeting
Council/Committee Date: December 7, 2020
File: N/A
Attachments: Appendix A Cemetery Services Price List 2021
Ward No.: City Wide

Recommendations:

1. That Council approve report COM2020-024.
2. That Council approve no Cemetery Services fee increase for 2021 (0%) as set out in the 2021 Customer Information & Price List attached as Appendix "A" to the report, with an effective date of January 1, 2021 and that the Fees and Charges By-law is updated accordingly.

A. Executive Summary

As part of the Cemetery Services business planning process, Cemetery Services staff undertake a review of the fee structure, implementing changes where necessary in compliance with the Funeral, Burial and Cremation Services Act 2012. This report requests that Council approve the 2021 price list for products and services offered in Parkview Cemetery and Crematorium.

Based on the ongoing impacts of COVID-19 to the residents of Waterloo, Cemetery Services is recommending no increase to prices for 2021, and will hold the 2020 pricing for the year, as the community continues to recover from the pandemic. This decision is also in line with cemetery pricing for other regional municipalities for the upcoming year.

B. Financial Implications

The Cemetery Services enterprise is proposing no fee increase for 2021. The 2020 budget for revenues will be maintained at approximately \$1,765,000. The 2021 rate "freeze" will save customers approximately \$46 for a single adult grave, \$60 for a chapel niche wall or \$11 for a cremation service (savings will vary based on service type).

The Cemetery Reserve currently has a balance of \$223,000, following the release of funds for the retort replacement project. With the proposed zero percent increase and the additional building expansion for the retort projected at \$300,000 next year, the Cemetery Reserve is expected to have a balance of \$91,000 by the end of 2021.

C. Technology Implications

None

D. Link to Strategic Plan

(Strategic Objectives: Equity, Inclusion and a Sense of Belonging; Sustainability and the Environment; Safe, Sustainable Transportation; Healthy Community & Resilient Neighbourhoods; Infrastructure Renewal; Economic Growth & Development)

(Guiding Principles: Equity and Inclusion; Sustainability; Fiscal Responsibility; Healthy and Safe Workplace; Effective Engagement; Personal Leadership; Service Excellence)

Equity & Inclusion- With business and individuals struggling during the pandemic it is prudent that the cemetery remain affordable and open to all socioeconomic situations and continue to provide our services at rates that will not add substantially to the burden of residents.

Fiscal Responsibility- The decision to hold pricing during the pandemic and recovery is inline with our regional counterparts and will still provide us the opportunity to offer affordable services and still add to our cemetery reserve. Staff also felt that price increases at this time would have a negative impact on our sales and revenue generation opportunities.

Effective Engagement- After discussions with cemetery providers in the tri-city area we are keeping inline with the region.

Service Excellence- This will enable us to continue to provide our services at an affordable and fair price point that is inline with the regional industry.
