

Trout Unlimited Canada's
Volunteer Agreement
Yellow Fish Road™ program

Trout Unlimited Canada requires that the Group Leader or key contact sign the following Trout Unlimited Canada Volunteer Agreement (see page 13), **prior** to implementing the Yellow Fish Road™ program.

You are responsible for following the procedures outlined in this guide and supervising your group. As volunteers for Trout Unlimited Canada's Yellow Fish Road™ Program, your group will be covered by Trout Unlimited Canada's general liability insurance for the date(s) of the storm drain marking.

If your group is driving to the painting location, ensure that all drivers have adequate insurance and parents have given written consent for their children to be driven by volunteer drivers. This is your group's responsibility, not that of Trout Unlimited Canada.

We also ask that all statistics be submitted either to your *Yellow Fish Road™ Partner* or to Trout Unlimited Canada directly, using the form on the Enter Data page of the *Yellow Fish Road™* website. We need these numbers to keep this valuable program going.

Please complete the form on the following page and return it (via email, fax or mail) to our office or to your **Yellow Fish Road™ Partner** before your painting day.

Trout Unlimited Canada's
Volunteer Agreement
Yellow Fish Road™ program

We understand, as volunteers for Trout Unlimited Canada's Yellow Fish Road™ (YFR) Program, it is the responsibility of our group to:

1. Designate a group leader to read the YFR Program Guide and be responsible for the group while implementing the YFR Program.
2. Obtain the necessary supplies and permissions, as outlined in the YFR Program Guide, whether through a YFR Partner, or through our own means.
3. Ensure group members understand and follow the safety and painting procedures outlined in the YFR Program Guide (or by a YFR Partner or the municipality).
4. Ensure the group is supervised at all times while marking the storm drains.
5. Ensure that any group members under the age of majority have written parental consent to participate; and ensure that parents understand that the group leader, not Trout Unlimited Canada, will be supervising the painting.
6. Ensure a minimum of 1:6 adult to child ratio for the marking.

As volunteers for Trout Unlimited Canada's Yellow Fish Road™ Program, your group will be covered by Trout Unlimited Canada's commercial general liability insurance subject to the policy coverage, exclusions, and conditions for the date(s) of the storm drain marking. Such coverage will only apply while the volunteers are performing authorized duties. Trout Unlimited Canada is not responsible for bodily injury incurred or damage to or loss of personal property incurred while implementing the Yellow Fish Road™ Program.

I have read, understood and agree with this Volunteer Agreement **(please send this page to 403-221-8360 x 6, or directly to your YFR partner).**
