A WARM **THANK YOU**

to all who made this possible

The original Ageing Well Waterloo Directory was produced by the Age-Friendly Waterloo Multi-Agency Committee, in partnership with the School of Planning, University of Waterloo. Content for the 2024-2025 version was reviewed and compiled by the Community Services department at the City of Waterloo, with assistance from City Corporate Communications.

The Ageing Well Waterloo Directory was created as a response to citizens' desire to have a "one-stop-shop" resource that contains a comprehensive list of programs and services in Waterloo that serve older adults.

And a big Thank You to our sponsors for supporting the development and printing of this directory:

WELCOME FROM **THE MAYOR**

Welcome to the Ageing Well Waterloo Directory! This guide is “one-stop-shop” for older-adult resources, listing the municipal, commercial and non-profit programs and services available in Waterloo.

I am proud to be mayor of a city that generously supports older adults and encourages community participation. Look through the pages of this directory and you’ll find supports and services that contribute to the overall well-being of older adults, with organizations offering everything from cultural and financial support to overall health and wellness activities.

As a member of the global network of Age-friendly communities, the City of Waterloo shares the vision of making this city a great place to grow older. One of our strategic priorities is the creation of a complete community, with a high quality of life for all residents to promote healthy and active aging.

From the countless older adult programs at the new Community Pavilion to the caring volunteers who give their time to help vulnerable older adults live safely and stay active, Waterloo remains dedicated to creating a city that is inclusive for all ages.

Thank you to everyone who has contributed to this directory and for doing your part in building a city that is inviting and age-friendly.

DOROTHY MCCABE
Mayor, City of Waterloo

A handwritten signature in black ink that reads "Dorothy McCabe". The signature is written in a cursive, flowing style.

AGE-FRIENDLY WATERLOO COMMITTEE

The City of Waterloo is an age-friendly city, where people of all ages thrive and grow.

The City of Waterloo is an age-friendly city, where people of all ages thrive and grow.

The City of Waterloo's Age-Friendly Waterloo Committee advises council on how best to promote active ageing in Waterloo. The goal is for Waterloo to become a place where all residents age well, enjoy good health and participate fully in their community.

The Age-Friendly Committee also plays a key role in helping older adults navigate aging in Waterloo by creating resources and supporting programs that promote healthy and active living.

If you would like to know more about what we do, please visit: waterloo.ca/agefriendly

Senior of the Year

Each year, Waterloo's Age-Friendly Multi-Agency Committee presents Waterloo's Senior of the Year award to honour one local 65+ person who has made outstanding contributions to the community.

USING THIS DIRECTORY

The City of Waterloo's Ageing Well Directory was created to help older adults (people aged 55+) in Waterloo access information on older adult focused services, programs, and amenities. This directory functions as a "one-stop-shop" for residents looking for information on housing, home support, health services, recreation and leisure, social and cultural supports, and much more.

The Directory is broken down into twelve main sections with a number of subcategories included in each section. Use the table of contents to navigate the Directory and locate your desired service. If you do not see a specific service, program, or amenity listed that you are trying to locate, **you can call Ontario 211 either by dialing 2-1-1 or visiting 211ontario.ca. This free helpline will connect you to community and social services in the area 24 hours a day, 365 days a year, in over 150 languages.**

This Directory contains programs and services that are provided by the City of Waterloo, Region of Waterloo, and the Provincial and Federal Government, as well as programs and services that are provided by

private businesses, and nonprofit organizations.

Although it was not possible to list every program or service provided by the Regional, Provincial or Federal governments, where possible, links to directories or websites provided by other government organizations have been provided. The Directory only contains listings that are relevant to older adults and are located in Waterloo, or that serve the Region of Waterloo.

The Directory provides information for each listing in the following format:

Listing Name
Type of Listing (Ex. Nonprofit)
Email address
Phone number
Website address

Please Note: Inclusion in the Older Adult Directory does not constitute an endorsement of a business or non-profit service or program.

If you have further questions about City of Waterloo programming or facilities, please call the main switchboard at 519-886-1550 or visit www.waterloo.ca
